Pupil Premium Spending:

The Government has given all schools some extra funding to support children who are eligible for Free School Meals, as well as children who are or were looked after by Local Authorities. In addition, the funding is allocated to children whose parent(s) are or were in the Armed Forces. We are expected to use the money to raise children's academic, social and personal achievements. For our School for the year 2016/17, the pupil premium allocation amounted to £184,550. The information below details our planned spend for pupil premium children for the academic year 2016/17.
