

## Our Vision, Aims and Values

### *'Learn well, have fun, be safe'*

### Vision

That children learn actively in a caring, inclusive and stimulating environment, so that they are motivated to do their best and reach their potential. All children will leave the school having made at least good progress from their starting points in Reading, Writing, Maths and SPAG and will be confident, motivated, resilient and independent learners ready for their next stage of education.

### Aims

We aim to:

- ensure that every child is safe and happy in our school and develops as an independent learner;
- encourage children to talk about their opinions and what things help with their learning;
- provide equal opportunities for all, regardless of culture, race, faith, gender or ability;
- provide the highest quality teaching in order to secure outstanding learning;
- nurture curiosity and a love of learning through a varied and stimulating curriculum which enables children to enjoy school and develop socially, morally and intellectually;
- foster a caring community by promoting the importance of working together and showing respect and support for each other;
- provide a wide range of extra-curricular activities and experiences to enhance children's learning including an understanding of healthy lifestyles;
- encourage children to make a positive contribution to local, national and global issues;
- work together with parents in order to support children's development and education.

### We value

'Olly Organisation'

**Independence**
