**Message from Year 1** - This term we will be helping the children to settle in and getting to know them.

We have a lovely topic which is focused on the children, what they look like, why they are special, things that they are good at, their likes and dislikes, their friends, and their families.

Mrs Abba, Miss Hicks and Mrs Williams

### Computing

- Bee-Bots - algorithms
- Basic Word - processing skills

### Humanities (History and Geography)

- Changes within living history - my timeline
- Old and new toys
