- Identifying evidence that living things have changed over time

P.E.

- Athletics, Fitness, Swimming, Cricket, Rounders
- We will continue to do our main P.E. sessions on **Wednesdays and Fridays.**

Message from Year 6

It's our final term of Year 6! And what a busy one it will be: SATs take place during the week of Tuesday 9th May and the children will continue to revise for these assessments.

We also have lots of exciting lessons, projects and summer activities planned for the rest of the academic year; we will be making the most of the children's final term with us before they leave!

Miss Dawes and Miss Hill

Computing

- Programming – variables in games
- Creating media – 3D modelling
- Programming – sensing movement

Humanities (History and Geography)

- Significant event in History - WWII
- Volcanoes and earthquakes
- Local geography (comparing local geographical features to other areas)
- Skills and fieldwork – reading maps, using compass points and grid references

P.S.H.E. and No Outsiders

- ‘Relationships’ building positive, healthy relationships
- ‘Changing Me’ coping with change positively
- No Outsiders: ‘Introducing Teddy’ (showing acceptance) and ‘Leaf’ (overcoming fears of difference)
