

# Alford Primary School Children's Safeguarding Policy 2023-2024

## What is Safeguarding about?

All the adults at Alford Primary School think that your health, safety and happiness are very important. In our school we respect and help to protect your rights. We do our best to help you make excellent progress. We teach you how to recognise risks in different situations, how to protect yourselves and how to stay safe.

## How will we try to safeguard you?

We will provide a safe environment for you to learn in. We want to help you feel safe at home, as well as at school. We think it is important that you know where to get help if you are worried or unhappy about something.

## What should you do if you are worried?

Speak to any adult at school if you are worried about something. We are here to help and are always ready to listen
