

Y1 Geography: My Local Beach

Prior learning that will help me

- Recognise some similarities and differences between life in this country and life in other countries.
- Begin to understand the need to respect and care for the natural environment and all living things.

Recycling is a way to use materials we throw away (rubbish) and turn them into something new.

Coastlines in Lincolnshire have these **physical features**: sandy beaches, sea, sand dunes
human features: arcades, Natureland Seal Sanctuary, shops

Key Vocabulary

Coasts, coastline, cliffs, sandy beaches, rock pools, amusements, arcades, shops, pollution, recycling, habitats

Pollution happens when harmful things like plastic bottles and bags enter an environment, for example the sea.

They cause harm to living things because they should not be there. Pollution is in Lincolnshire and all over the world.
