ownstairs

## Cultural differences

• In Spain, almost everyone who lives in a town/city lives in a flat.

### Key Knowledge

I use my knowledge of word order to help understand a text.

I know that gender can affect the spelling of nouns.

I know that adjectives usually follow a noun, and that they change their spelling to agree with the gender of the noun.

I can say some differences between housing in Spain and the UK, and give some reasons for those differences.

Spain

UK
